

# 2019 MEDICARE

## Premiums, Deductibles, and Cost-Sharing Amounts

Part A (Hospital Insurance)	Beneficiary pays:
Hospital Deductible	<b>\$1,364</b> benefit period
Hospital Copayment	<b>\$34 /day</b> for days 61-90 <b>\$682/day</b> for days 91-150
Skilled Nursing Facility Copayment	<b>\$170.50/day</b> for days 21-100
Part A Premiums*	<b>\$437/month</b> for those with fewer than 30 quarters of Medicare covered employment <b>\$240/month</b> for those with 30-39 quarters Medicare covered employment

Part B (Medical Insurance)	Beneficiary pays:
Annual Deductible	<b>\$185</b>
Part B Premium for those with incomes below \$85,000 if single \$170,000 if married**	<b>\$135.50/month</b> Roughly 3.5% of beneficiaries who were subject to the “hold harmless” provision will pay less, as the increase in their Social Security benefits will not be large enough to cover the increased Part B premium
Most Part B covered services, including doctors’ visits, outpatient therapy, durable medical equipment, and outpatient mental health services	<b>20%</b> of amount Medicare approves

\* Most people with Medicare do not pay a monthly premium for Part A because they have (or a spouse has) 40 or more quarters of Medicare covered employment (meaning they worked at a job where they paid in to Medicare).

\*\* “Hold Harmless” as defined by Medicare prohibits an increase to Medicare B premiums.  
Please note Medicare Advantage plans may charge an additional monthly premium.
