Jami Truitt, MSW, LMSW *Master Social Worker*

Jami Truitt joined the Peninsula Home Care team in June 2019. As a licensed master social worker, she brings with her 20 years of experience in the private and public sectors. Jami is a 2015 graduate of Salisbury University's Master of Social Work program where she earned acceptance into the Phi Alpha Honor Society. Her practice knowledge includes community collaboration and education, building and maintaining relationships with referral sources and developing & implementing programs.

As a medical social worker for Peninsula Home Care, Jami works closely with medical professionals as part of the interdisciplinary team at PHC & with the local hospital care coordinators. She offers support to patients and family members in the forms of discharge planning, counseling, case management and referrals. Her role is to educate, advocate and empower patients to live the life they want to live and connect them to resources so they can be successful in their home.
